PREFACE

Vidya Gunturkar - Joshi
Founder NMFPL

Dear Readers, Stakeholders, Supporters, Team NMFPL, and Well-Wishers, Warm greetings and welcome to the 43rd NMFPL newsletter.

This quarter kept us exceptionally engaged with several landmark events, headlined by our participation in the **Greenr Sustainability Stars (West Chapter)** investor-corporate roadshow at **The Taj Mahal Palace, Mumbai** on April 16, 2026.

Represented by our co-founder, **Sachin Joshi**, Nutrimillets Foods capitalized on this premier summit to network, engage in interactive Ask Me Anything (AMA) sessions, and deliver a live pitch to eminent investors and judges—marking a significant, value-driven milestone for our team.

In parallel, we made our debut at the **Millet Mahotsav in Borivali**. This provided invaluable, firsthand data from both a product and consumer perspective, and we are already preparing to implement these key market findings into our upcoming strategies.

To further deepen our local market presence, we also participated in a specialized product exhibition organized by the **Krishi Vigyan Kendra** and **Amruthpeth**, an excellent initiative by the Government of Maharashtra.

These diverse experiences have clearly highlighted our next strategic milestones. Moving forward, we are aggressively prioritizing the setup of a robust **retail distribution channel** while simultaneously driving **product innovation** to better serve our growing customer base.

You can write to us anytime with your ideas, recipes, or feedback at **enquiry@nutrimillets.in**.

Thank you for walking this journey with us.

Best Regards
Vidya Gunturkar-Joshi

Amba and Millets Mahotsav Nashik

Amba and Millets Mahotsav held in **Nashik** brought together two of Maharashtra's finest culinary heritages—natural, farm-fresh mangoes and climate-resilient superfoods.

The event served as an incredible direct-to-consumer connect for Nutrimillets Foods. Interacting face-to-face with health-conscious families and local distributors gave us deep consumer insights into how modern shoppers want to integrate millets into their daily summer diets.

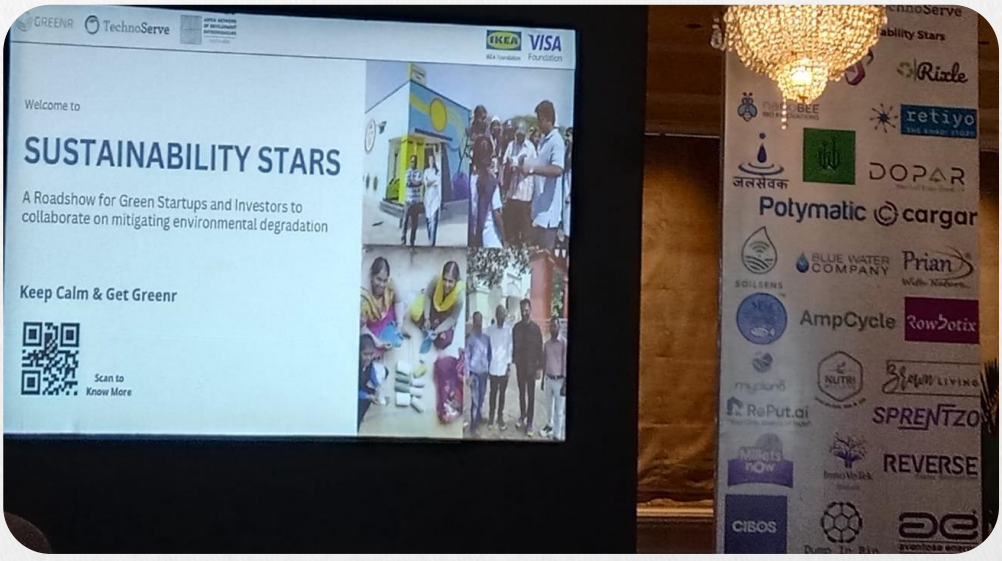

Generating immense interest in our premium, ready-to-cook healthy snacks, the festival successfully validated our product innovation and gave us a strong hold to build our upcoming retail distribution network in the Nashik region.

Sustainability Stars Meet

We at **Nutrimillets Foods Pvt Ltd** are thrilled to have participated in the Greenr Sustainability Stars (West Chapter) investor-corporate roadshow at The Taj Mahal Palace, Mumbai.

This premier summit marked a monumental milestone for us as we delivered our **very first live pitch to prominent green investors**. The energy in the room was truly inspiring, providing us with an exceptional platform to showcase our sustainable food solutions alongside 30 of the region's finest climate-forward innovators.

Beyond the pitch, the event proved to be an invaluable networking hub and a masterclass in scaling impactful ventures.

We walked away with deep, actionable learnings gleaned from our peers and the highly engaging **"Ask Me Anything" expert sessions**, which offered brilliant insights into navigating the green finance ecosystem.

Connecting with visionary corporate leaders and investors who share our dedication to climate action has reinforced our mission.
