PREFACE

Vidya Gunturkar - Joshi
Founder NMFPL

Dear Readers, Stakeholders, Supporters, Team NMFPL, and Well-Wishers, Warm greetings and welcome to the 44th NMFPL newsletter.

This past quarter marked a pivotal chapter for **Nutrimillets Foods**, defined by deep product-market fit insights, manufacturing expansion, and major institutional accolades.

Based on comprehensive consumer survey data, we have finalized a structured retail roadmap, choosing to enter the market with our **Roasted Namkeen** line. This will be followed by the strategic relaunch of our **Instant Mixes** in six months, and subsequently, our **Millet Chikki**.

To facilitate this production, we have relocated to a dedicated **Industrial Area** and are currently procuring advanced machinery for specialized roasting and automatic packaging. This technology grants us a definitive competitive edge, bringing our packaging quality on par with established market brands.

Beyond operational scaling, this quarter brought prestigious recognition. We were shortlisted for the **EarthON Bootcamp** in Bengaluru, an intensive 3-day incubator featuring masterclasses on the Business Model Canvas, strategic finance, and leadership.

At the closing ceremony, our team swept major honors: Co-Founder **Sachin Joshi** won the **Peer Award**, while Nutrimillets Foods proudly secured the **EarthON Startup Impact Award** along with a **₹25,000 cash prize**.

Building on this momentum, and with the vital support of the **Agriculture Department** and the **PMFME Section**, we successfully showcased our venture in the dedicated FPO, SHG, and Startup exhibition zone at the **Chhatrapati Shivaji Maharaj Maharajasva Samadhan Shibir 2026** in Chhatrapati Sambhajinagar.

Equipped with a verified product-market fit and upgraded manufacturing capabilities, we are thrilled to begin this retail journey, focusing entirely on expanding our footprints across the **Marathwada** region over the next six months.

You can write to us anytime with your ideas, recipes, or feedback at **enquiry@nutrimillets.in**.

Thank you for walking this journey with us.

Best Regards
Vidya Gunturkar-Joshi

EarthON Greenovation Bootcamp

Our participation in the **EarthON Greenovation Bootcamp** at CHRIST Bangalore from September 24–26, 2026, proved to be an extraordinary milestone for Nutrimillets Foods.

The highlight of this incredible learning experience was the closing ceremony, where our team swept major honors. Our Co-Founder, Sachin Joshi, was honored with the prestigious **Peer Award,** voted on by fellow innovators, while Nutrimillets Foods proudly won the coveted **EarthON Startup Impact Award**, which includes a cash prize of ₹25,000.
